Our Capabilities

4Biz Graphics, LLC is an integrated marketing company that specializes in graphics, web development and visual media: photography and video production.

We create collateral materials that consists of brochures, sales materials and annual reports along with vehicle wraps and trade show displays.

Our web sites utilize all of the latest WordPress technologies and are customized to fit your needs and requirements.

Our professional photography and video production takes your company to the next level in the world of digital media.

COLLATERAL MATERIALS

Nobody prints anymore? Not true. Printed collateral materials are a great enhancement to your global marketing plan. Sell sheets,

promo cards and product brochures are attractive, still popular and very effective.

In addition, we know great printers who can supply you a quality product at an affordable cost.

Projects include a pamphlet for TLong Construction, a 128 page Visitors Guide for The City of New Britain and a 4-Panel pull-out Annual Report for the Hospital for Special Care
